WSECU was founded by a small group of Washington State employees in 1957. Today we are a financial institution that welcomes and serves people who share the values of giving, sharing and supporting our communities. WSECU is a community credit union offering membership to anyone in Washington, with a special focus on public employees and other individuals who work to improve their communities. Volunteer Leadership
As a not-for-profit financial cooperative, we are overseen by a volunteer Board of Directors and Supervisory Committee. These leaders are WSECU members who are elected by fellow members. For more information on the election and nomination process, call 800.562.0999 x10128.
