At Washington Auto Credit, we help our clients get approved for auto financing so that they can purchase a new or used vehicle. We help ALL types of credit and have interest rates as low as 0.0%. Our approval specialists help you arrange new and used vehicle financing through our network of auto dealers. We work for you to help you find the best auto loan you qualify for so you can purchase a great vehicle from a reputable dealer. We have access to over 100 loan programs including Guaranteed Credit Approval. The simple truth: We can help with others cannot.
